

# SICC Annual Training Camp

## 17th—24th March 2025

SICC is pleased to announce that next year we will again be running our annual training camp. We will be based at the Pollenca Park Spa hotel, using Mallorca Cycling, who will arrange airport transfers, hotel booking and ride leaders. Mallorca Cycling offers quality bikes for hire, we have negotiated a SICC discount of 10% if you book bike hire with Mallorca Cycling using the discount code **shapecycling25**

This year we are aiming for 6 days cycling, the routes may include the popular routes of Sa Calobra, Puig de Randa, San Salvador, Cap de Formentor, Col de Reis, and also the iconic SICC ride to Petra for lunch. Although there are so many iconic routes and mountains, the routes on the day are decided by the group. Whether you're a seasoned club cyclist, new to the club, or someone not confident riding at speed in a group there will be a ride for you. We can cater for riders not confident riding at speed or in a group by providing GPX routes for independent rides.

This is a great opportunity to get in some early season hill training if you're planning on riding any of the spring classics. If you're not, it's a chance to ride some of the iconic Mallorca routes and mountains with friends old and new.

We stay at the Pollenca Park Spa Hotel, a newly refurbished hotel with comfortable rooms, some with views of the Mediterranean. For those wanting to take a rest day, and for those that want to bring a non cycling partner along, the hotel offers a spa with a wide range of treatments. If you're planning on bringing your bike there is a secure bicycle garage on site. The hotel is booked on a full board basis (inc alcoholic drinks) and wifi.

For those that like to book early, this year we have successfully negotiated an early bird booking rate when you pay your deposit before 30th October 2024.

**Cost:** Flights not included, see below for group flights from Charleroi—you will need to book and pay for these flights separate to the camp.

**Early Bird Rate:** Single Occupancy: Double Superior Room €824. Double Occupancy: Double/Twin superior room (2 persons): €675 per person.

**Booking after 1st November 2024** —don't worry if you miss the early bird rate you can still join this trip but will miss the discount. Double Superior Room Single Occupancy €904 Double Superior Room Double Occupancy €742.50 per person.

**All deposit payments** (non-refundable) €100 can be made via this link - <https://buy.stripe.com/dR6bKX89XaEgbEA28z> please do let the club know if you've booked so we can keep you up to date with any news.
