La Nove Colli di Cesenatico is one of the **oldest Gran Fondo cycling race in the world** and a competition that has been providing real emotions, shared efforts and the genuine flavour of Italian cycling tradition since 1971. Next year, on **24 May 2026**, the Nove Colli will once again bring colour and sporting passion to the **Canal Port in Cesenatico**, pushing cyclists all the way to the challenging **Romagna hills**. The Nove Colli is an event that, with its **55 editions**, has left permanent memories in the participants' minds: anticipation, sense of community, concentration... and the adrenaline that rises as the start of the race gets closer. Emotions, with that **feeling of belonging linked to cycling** that's so hard to forget, remain impressed forever. Now it's time to **think about the 2026 edition** and write a new chapter of a success story together! (<https://www.novecolli.it/en-GB>)

Staying in Cesenatico at the Hotel Roxy and Beach. The hotel is bike friendly and is in front of the finish and start line of the "Granfondo". We leave the hotel and are already at the starting grid! We will find the race package with the bib directly at the hotel upon our arrival and we can stay in the room until 6 p.m. of last day. For the time being we do not know the cost for the race package because the registration is still close (take in consideration that last year it was 130 Euro). The Hotel is seafront, no street to cross, and the hotel accommodation cost is including:

- breakfast buffet until 11 a.m. (from 4:30 a.m. on race day)
- beach umbrella, 2 sunbeds (per room) and beach towel
- dinner at the hotel restaurant with a buffet served
- unlimited water, wine, cola and orangeade at dinner
- swimming pool
- free Wi Fi Internet
- city bike
