

SICC Annual Training Camp 15th—22th March 2027

SICC is pleased to announce that next year we will again be running our annual training camp. We will be based at the Pollenca Park Spa hotel, using Mallorca Cycling, who will arrange airport transfers (see below for info), hotel booking and ride leaders. Mallorca Cycling offers quality bikes for hire, we have negotiated a SICC discount of 10% if you book bike hire with Mallorca Cycling using the discount code **shapecycling27**.

This year we are again aiming for 6 days cycling. Whether you're a seasoned club cyclist, new to the club, or someone not confident riding at speed in a group there will be a ride for you. We cater for riders not confident riding at speed or in a group by providing GPX routes for independent rides.

For anyone that hasn't had the opportunity to attend previously and wants an idea of what to expect take a look at Page 2 of the May 2026 Newsletter [May 2026 Newsletter - SHAPE International Cycling Club](#). Further to the amazing scenery and climbs, this is a great opportunity to get in some early season hill training if you're riding any of the spring classics. If you're not, it provides the opportunity ride some of the iconic Mallorca routes and mountains with friends old and new.

We stay at the Pollenca Park Spa Hotel, a refurbished hotel with comfortable rooms, some with views of the Mediterranean. For those wanting to take a rest day, and for those that want to bring a non-cycling partner along, the hotel offers a spa with a wide range of treatments. If you're planning on bringing your bike there is a secure bicycle garage on site.
